

Sanmar's Constituents

SANMAR is a diverse group of businesses with a turnover of about US\$ 800 million, operating in various niche industrial segments such as Chemicals (including Speciality Chemicals), Engineering, Metals, and Shipping. The Group is on a high-growth wave through expansions and acquisitions, both domestic and overseas. With a projected CAGR of 45%, the Group hopes to cross a turnover mark of US\$ 1.5 billion by 2012.

Transcontinental Presence

Sanmar products and industries

Products

Downstream industries served

Chemicals

PVC resins, caustic soda, chlorinated solvents, refrigeration gases and polysilicon, silicon wafers, PVC pipes & conduits

Water conveyor systems, sewage systems, automotive batteries, pharmaceutical, refrigeration, construction, agriculture, solar panels/ modules

Advanced organic intermediates and phytochemicals, contract research services, fumed silica

Pharmaceuticals, chemicals, agro-chemicals, flavours and fragrances, personal care, inks, insulating surface materials, contract research

Engineering

Rupture disks, control valves and regulators, mechanical seals, in-plant maintenance solutions, safety relief valves, isolation valves and actuators, pressure seal valves (gate, globe and check valves)

Refinery sector, petrochemicals, chemicals, power, pharmaceuticals

Metals

Iron and steel foundry and machine shop - Steel castings for pressure retaining valves and pumps, locomotive, transit, mining and construction equipment; iron castings and Ni-resist alloys for turbo charger housing and integrated exhaust manifolds

Oil and gas, construction, mining, locomotive, transit cars, off-the-road vehicles, industrial equipment, refrigeration and air-conditioning equipment, bearing caps, auto components

Shipping

Product tankers, chemical tankers and bulk carriers

Oil companies and oil traders, commodity & retail shippers

Sanmar Holdings Limited

Sanmar Chemicals Corporation

Chemplast Sanmar Limited

- Trubore Piping Systems

TCI Sanmar Chemicals LLC (Egypt)

Cabot Sanmar Limited

Sanmar Speciality Chemicals Limited

- ProCitius Research
- Performance Chemicals

Sanmar Shipping Limited

Sanmar Metals Corporation

Sanmar Foundries Limited

- Sand Foundry
- Investment Foundry

- Machine Shop

Matrix Metals LLC

- Keokuk Steel Castings Company (USA)
- Acerlan Foundry (Mexico)
- NEPCO International (USA)

Sanmar Ferrotech Limited

Eisenwerk Erla GmbH (Germany)

Sanmar Engineering Corporation

Flowserve Sanmar Limited

BS&B Safety Systems (India) Limited

Xomox Sanmar Limited

- Xomox Valves Divn.
- Pacific Valves Divn.
