

# N Sankar honoured with ICC award

**Chennai:** In recognition of his outstanding contribution to the Chemical Industry, N Sankar, Chairman of The Sanmar Group, was conferred with the prestigious ICC Lifetime Achievement Award for 2015, by Prof. MM Sharma, former director of UDCT on September 30 in Mumbai. The award highlights the pioneering role played by Chemplast Sanmar in the concept of Zero Liquid Discharge in the Chemical Industries in India.

Established in 1938, ICC is the apex national body representing all branches of the Chemical Industry in India. Chemplast Sanmar Ltd - flagship of The Sanmar Group of Companies, is the second largest PVC producer, and one of the most diversified chemical manufacturers in India.

Accepting the award, Sankar highlighted "the serious need to develop policies that would promote indigenous production capacity, which in the long run will be in the interests of the domestic users, and would be squarely in line with Prime Minister Modi's 'Make in India' programme".
