

National Safety Awards for BS&B, Tyco, Xomox, Sanmar Foundries and Sanmar Speciality Chemicals

It was a moment of pride and honour for the Products and Steel Castings divisions of Sanmar Engineering Technologies Limited and Sanmar Speciality Chemicals, Berigai, when P Manoharan, Head of Safety at The Sanmar Group collected NINE National Safety Awards from Shri Mallikarjun Kharge, Minister for Labour and Employment, Government of India, in New Delhi on 29 November 2011.

The awards came as recognition of the outstanding safety performance of the various businesses, based on lowest average frequency rate and accident free working for the year 2009.
